

Generations.

The next should be better.

So...

... now it's your turn.

*In Union,
there is strength.*

*There are decisions you can
make and should make to
strengthen the future for the
next generation.*

*Today, in business the old ways
are no longer always
the right way.*

*Our waterbased polyurethane
technology offers a safer,
more environmentally
friendly solution to
your high performance
coatings requirements.*

*Our expertise creates the
perfect solution you need. Our
partnership with you **will be**
there every step of the way.*

*The future will always be
uncertain to some degree,
but accepting the challenge
of abandoning solvent based
technology for waterbased
technology will make one thing
far more certain: **your children**
will always know you were
part of the answer.*

*Call us today,
Together we can make
the world a better place.*
